# How will the Student Register in IIRWM Website?

To Register in Website follow these steps:

Step 1:Go to the IIRWM Home page. (www.iirwm.com)
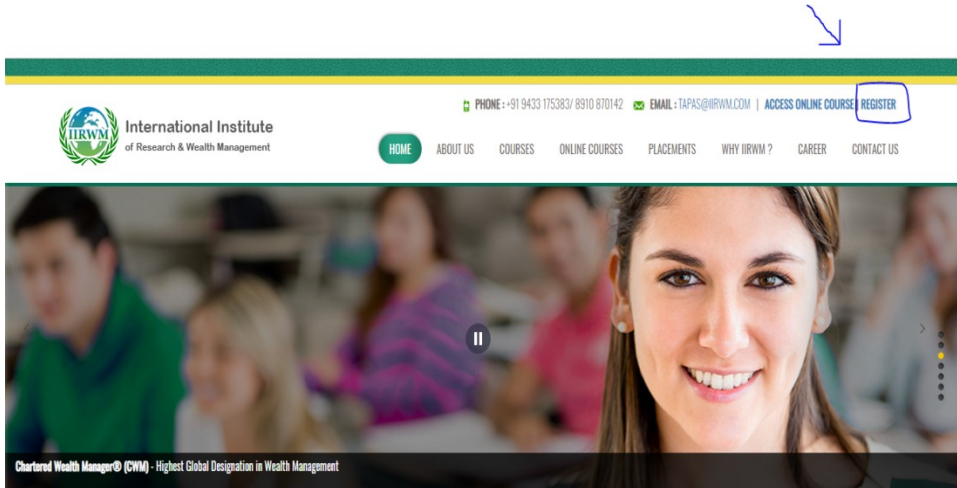

Step 2:Fill up all the Details.

Step 3:You will receive an OTP in your Registered Mobile Number. Put OTP here.

Step 4: Login to your mail box and verify your email id.

The Setup Process

Step 5: Click the "Access Online Course" link on the IIRWM website and download the Windows Desktop Application.

Step 6: Set up/Install the application in your windows laptop/desktop.

Note: - It is compulsory to download & Set up/Install in your system in order to access online course.

Step 7: Open IIRWM application and put e-mail/password. (Sign in to start your session)
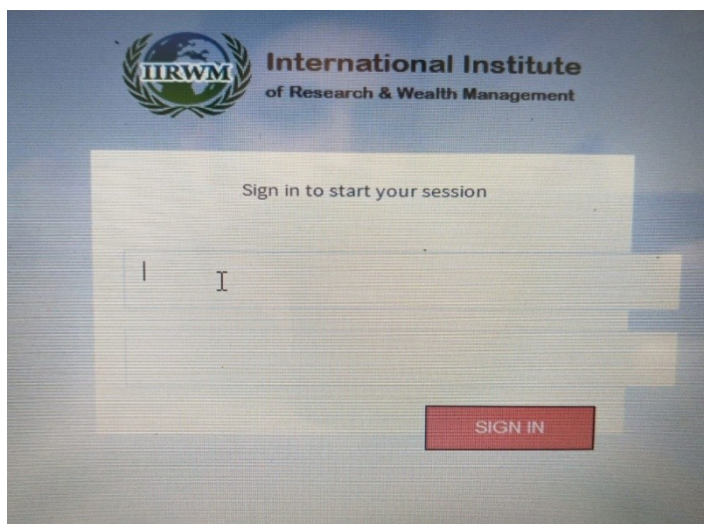

Note: - Once you login from a system, you won't be able to login using a different system. So make sure you are using your computer.

How to Gain Access to Courses?

Step 8: If you login to the system before making the payment, the course materials will not be accessible to you. Kindly follow the instructions shown on the dashboard.
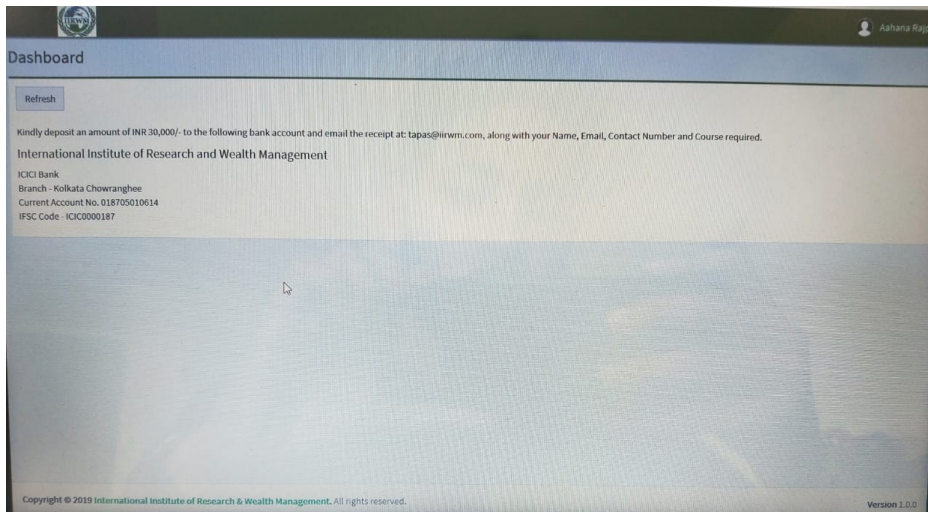

Step 9: Make the payment to the mentioned bank account and send the requested details to tapas@iirwm.com.

Step 10: Once the course is assigned and the same has been communicated to you, you will have access to all the study materials.
